

ALIGN 'N LOCK

PVC PLUMBING

PVC ELECTRICAL

ALIGN 'N LOCK PLUMBING

30% thicker solution ensures a perfect lock for all your PVC plumbing, irrigation and swimming pool connections.

ALIGN 'N LOCK ELECTRICAL

This product is perfect for all electrical conduits, solar, HVACR and all other PVC projects

Align 'n Lock offers an exciting new money and time saving application for the fusing of PVC pipes, without messy primers, cement or glue!

Simply spray Align 'n Lock on both pipe and coupling - locking them in place for a permanent bond.

First aerosol PVC solvent - proudly manufactured in South Africa.

Aerosol PVC Solvent,
replaces traditional multiple- product,
multiple-step process.
No more priming, cementing or glueing.

NO MESS - NO FUSS - SINGLE APPLICATION
