

PENCIL GRIP

JULIE NOOR MAHOMED

082 460 5553

jnoormahomed@gmail.com

BENEFITS

Corrects writing skills and writing postures

Ensures comfort and correct writing

Ensures correct finger development

Reduces hand fatigue

“Incorrect pencil grip is painful and causes the child’s hand and arm to fatigue quickly.”

**R40
each**

FEATURES

Ages 3 - 13 years

Made of silicone

Soft and Comfortable

Suitable for Left or right handed

Durable and environmentally friendly

Available in green, blue, orange and pink

FACT

Kids who have an inefficient pencil grip use their wrist and/or arm muscles to control the movement of their pencil. This can make handwriting uncomfortable and tiring, and also messier.

COLLECTION: Erasmia, Pretoria

POSTAGE COSTS: Normal Past R20.00 / Registered R55 / Pep R60 / Courier R120
